

Iwaki metering pump Series IX

Metering pump Series IX

Diaphragm metering pump

- Diaphragm metering pump with DC motor
- Quiet and low pulsation operation
- Wide turndown ratio 750:1
- Up to 70% energy savings
- Pump head PVDF Standard
- Diaphragm rupture monitoring
- Overpressure monitoring
- Control panel with LCD display
- Automatic control with analogue, pulse, batch and interval batch modes
- Control via mA signal or no-voltage contact
- Plastic housing IP65
- Power supply 100-240V, 50/60Hz

Max Flow rate
60 l/h, 10bar oder 150 l/h, 4bar

Pump head
SUS316 / PVDF

Power consumption
62 W
